LOGAN IS VICTORIOUS

In a Close Game With Carbon Hill.

A well contested game with a picked team from Carbonhill and Longstreth, played at the Logan Ball Park, Sunday, served to fatten Logan's team average still further. Beck, Dill, and Buntz were absent from the line-up of the locals, Buntz being temporarily out of the game with a broken thumb, and Beck and Dill out of town. Kleinschmidt was played at short, where he did not have a single chance throughout the game a rather unusual thing at that position. Jones on third, featured himself nicely. Beck's place at first was taken by John Shannon, who played without error, on eleven chances. Reinhard, who pitched for Logan,

was not anywhere near his form of the Sunday previous, walking four men. He pitched a no-hit game, however, until the ninth inning, when a high fly by Edgel to right field, was seriously misjudged by

Camp, and went behind him. On the whole, the game was one of the best seen here this season. The split-up condition of the home team caused some doubt of their victory, but the support, with the exception of a muff by Webb and one by Stultz, and a wild throw by Jones, was perfect. W. Smith was in the box for the visitors in the last of the seventh, Branigan going to second.

FIRST INNING

Mr. Branigan made first on a wild throw from Jones; W. Smith grounded to Jones, and Branigan was put out at second—a close shave for a double play. Martin's low fly to left was dropped by Webb; J. Branigan fouled high to Canty, and Edgel fanned.

Camp was hit by the first ball pitched. Williams sacrificed beautifully, advancing him to second; Webb grounded to short, and the ball, played to third to catch Camp, was muffed by Martin. Camp scoring, Stultz singled and Canty flied to short. Jones drove a grounder to Martin, and Stultz was thrown out at second, with one hit and one score on Logan's side of the board.

SECOND INNING

Horn and Davis both struck out. C. Smith lining a hot one to Shannon which the long boy gathered in in style.

Kleinschmidt flied to center, Shannon struck out, and Reinhard grounded out, Martin to M. Branigan.

THIRD INNING

Johnson's grounder to first base was fielded by Shannon, Reinhard making the put-out at first, M. Branigan grounded, Stultz to Shannon, and W. Smith fanned.

Camp fouled to C. Smith and Williams ditto to Martin—a fine running catch by Martin. Webb grounded to second, and died at first.

FOURTH INNING

Martin flied to Williams, and J. Branigan walked. Edgel's grounder to second was fumbled by Stultz. Horn sent an easy grounder to Reinhard, and Branigan was put out at third. A wild pitch advanced Edgel and Horn to third and second. C. Smith got a pass to first. Things looked a little shadowy, with three on bases, but Davis struck out, retiring the side.

Stultz struck out. Canty grounded, Horn to M. Branigan. Webb hit, but was caught in an attempt to steal second.

FIFTH INNING

Johnson grounded, Stultz to Shannon, and M. Branigan fanned. W. Smith planted a red-hot grounder over third base, which was fielded by Jones in a truly

"illegant" way. His throw to first was a thing of beauty.

Kleinschmidt's hit. Shannon fouled to C. Smith, and Reinhard walked. Camp singled past second. The ball was fielded so quickly by Edgel that Reinhard was caught at second. Kleinschmidt was coached too far towards home and was run out by Smith and Martin, between third and home.

SIXTH INNING

Martin got first on ball. J. Branigan grounded, Reinhard to Shannon, Martin making third base by remarkable running. Edgel flied to Jones, and Horn grounded, Jones to Shannon.

Williams grounded to short Webb singled and made second on a passed ball. Stultz and Canty both grounded to second and were thrown out at first.

SEVENTH INNING

C. Smith flied to Williams, Davis grounded to Shannon, and Johnson to Reinhard.

Jones flied to Davis, and Kleinschmidt struck out. Shannon's high fly to center was muffed by Edgel. Reinhard singled. Camp's fly to right was too much for Johnson, and Shannon scored. Williams grounded, Horn to Branigan.

EIGHTH INNING

M. Branigan flied to Camp, and W. Smith to Jones. Martin grounded, Jones to Shannon.

Webb grounded to first. Stultz was hit by a pitched ball. An attempt to hunt, by Canty, resulted in a pop fly to Martin, and Camp, who ran for Stultz, was caught off first in the double.

NINTH INNING

J. Branigan walked, and Edgel singled. Horn hit the ball a few feet in front of the plate, and was thrown out at first by Canty. C. Smith fouled to Canty, and Davis fanned, ending the game with the score a pair for Logan.

Biblical Baseball

A Canton (O.) theological student interested in baseball wrote a thesis on "Baseball Among the Ancients," from which are gleaned the following facts:

Abraham made a sacrifice.
The Prodigal Son made a home run.
Cane made a base hit when he killed Abel.
David was a great long-distance thrower.
Moses shut out the Egyptians at the Red Sea.
Moses made his first run when he slew the Egyptian.
The devil was the first coacher.
Eve stole first—Adam stole second.
When Isaac met Rebecca at the well she was walking with a pitcher.
Samson struck out a great many times when he beat the Philistines.

Harris Elected Clerk.

The Athens county board of elections met Saturday afternoon and organized for work the coming year. In the selection of clerk of the board there was the usual contest between the Democratic and Republican candidates for the office. The applicants were C. V. Harris, Democrat, and S. M. Johnson, Republican. After five ballots no selection was made and the affair was determined by lot, Harris winning. This marks three consecutive times Harris has drawn the fortunate straw. The board is composed of C. H. Bryson, chief deputy, and H. G. Stalder, Republicans, and S. D. Webb and Hugh Gormley, Democrats.

The greatest mistake some of the alleged newspaper men make is to imagine that everything in their paper should be "original." The clippings expressing the thoughts of hundreds of bright men in the fraternity is much better and more appreciated by readers than the opinions of one man.

The Paris aeronaut who couldn't make a promised ascension because the supply of hot air was too limited should have taken the precaution to have on hand a lot of Republican leaders who believe in letting the tariff be revised by its friends.—The Commoner.

Speaker Cannon says he opposed the "labor bills" in congress because he did not believe in legislating for "special classes." This is calculated to create a laugh among the corporation and financial classes who have been securing special favors from Speaker Cannon.—The Commoner.

"Bryan is honest, innately so. The people believe him sincere, whether or not they differ with him on political issues. His long standing with his party and the high place which he occupies, proves that conclusively. If Bryan were chosen president there would be no need of fearing White House scandal. He would associate about him men in whom he believes, men he thinks square and honest."—Justice David J. Brewer of the United States Supreme court.
